Risk: C00065 - Elderly Social Isolation

Risk Snapshot

Risk ID	Category / Element	Risk Short Title	Description	Desired Outcome	Current Situation	Proposed Strategy
C00065	R8 Political / Government	Elderly Social Isolation	Limited social networks and lack of outreach to vulnerable older people in the community.	Enhanced visibility and engagement of elderly in community activities. What Could Go Wrong? Increased loneliness, depression, and health deterioration among elderly.	Unclear which networks exist or how well publicised they are.	Map and publicise existing networks; support charities to extend outreach.

Risk (three-part) Statement			Current Risk			Response Type	Manageability	Residual Risk	Risk Owner	Due Date	Close Date	Last Review Date Notes
Cause	Risk Event [uncertainty]	Consequence	Probability	Impact	Score (PxI)							
Weak social infrastructure for older populations.	Elderly individuals become isolated.	Decline in mental and physical health; increased care costs.	3	3	9	Mitigate	2	3	Winter, David	31Dec25	Open	15Jun25
