PHC Con	sortium	ear	r of Local Crime and Antisocial Behaviour								Risk Snapshot					
Risk ID	Category / Element	L Description					Desired Outcome			Current Situation			Proposed Strategy			
C00074	R8 Political / Governme nt	Fear of Local Crime and Antisocial Behaviour Perceived or real threats from petty crime, vandalism, or substance misuse reduce public confidence and neighbourhood cohesion.			Greater presence of community-led watch schemes and youth diversion programmes. What Could Go Wrong? Escalation of tensions and erosion of trust in public safety services.					Low visibility of local enforcement and few structured responses to minor disturbances.			Encourage neighbourhood watch pilots and youth engagement initiatives under PHC monitoring.
