

Nampak Cartons Packaging Cluster – Oluyole

 Sector: Packaging / Manufacturing Services	 Location: Oluyole Industrial Estate, Ibadan, Oyo State	 Status: Operational facility serving major FMCG clients (food, beverage, and consumer goods industries)
---	---	--

1. Project Snapshot

Nampak Cartons Nigeria manufactures folding cartons, labels, and packaging materials for FMCG producers, including food, beverage, and personal care companies. The Oluyole facility is part of a regional supply network supporting large-scale industrial customers.

2. Current Risks / Concerns

- 1

Production Efficiency
Downtime, waste reduction, and output variability
- 2

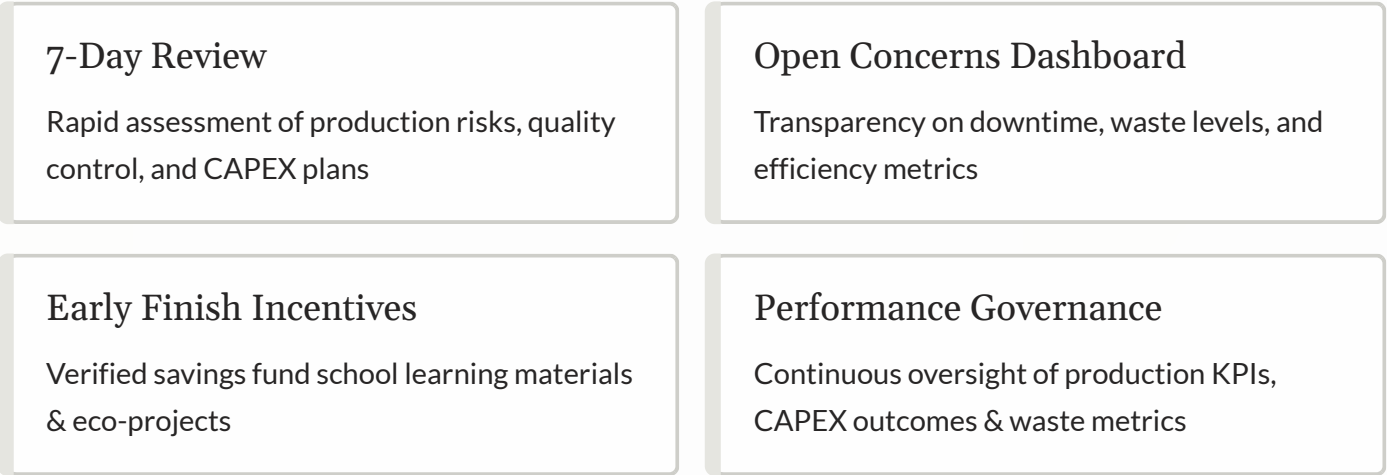

Quality Assurance
Printing accuracy, material defects, and supplier QA compliance
- 3

Supply Chain Dependencies
Raw material imports, logistics delays, and FX volatility
- 4

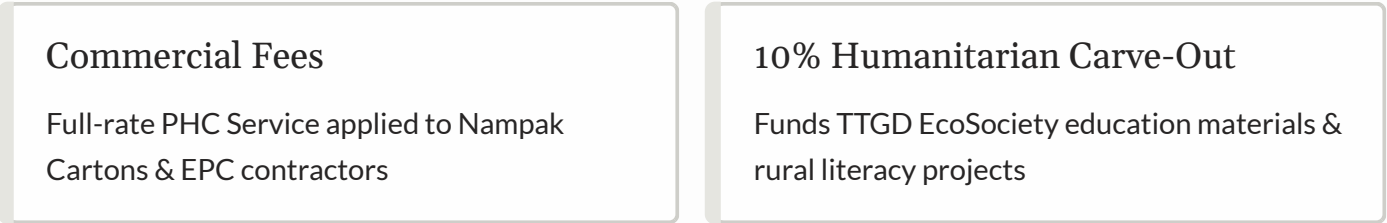

CAPEX & Expansion Projects
Payback risk for new equipment or plant upgrades
- 5

Environmental Compliance
Waste handling, recycling, and emissions standards

3. PHC Service Offer

4. Commercial + Humanitarian Flow

5. Next Steps
